School Goals

For the 2018-19 school year, Mt. Angel Middle School is focused on supporting all students in achieving high levels of growth academically through:

- The use of highly effective, research-based critical reading strategies
- Expanding opportunities for family involvement and supports
- Deepening our understanding of PBIS/Social Emotional Learning opportunities
- Increasing awareness and importance of regular attendance

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Hospitality and inclusiveness are hallmarks of the Mt. Angel community culture. We are always working to understand and address the needs of students and families to ensure an inclusive environment for all. Families are encouraged to contact their child’s teacher or the office with questions or concerns, which are also addressed proactively whenever possible through PAC meetings, AVID family nights, conferences and individual correspondence.
