## FROM THE PRINCIPAL

Dear Parents and Community Members,

Thank you for taking the time to review the school report card for Mt. Angel Middle School. Enclosed you will find information showing our students progress as well as how they compare to other students across the state using Smarter Balanced Assessment in English Language Arts and Math.

Mt. Angel Middle School is dedicated to helping students develop the skills they will need to be successful in high school and beyond. School staff continuously work to better prepare students for college and careers with full implementation of Common Core State Standards, effective instructional strategies, and student support systems.

An important part of student success is parental involvement and support. Mt. Angel Middle School involves parents in their child's education by providing opportunities to communicate with staff, monitor student

progress, parent-teacher conferences, recognition assemblies, volunteer at the school as well as serve as Site Council members.

You can help your child be successful by communicating with the school, monitoring grades and homework, checking their planner daily, and making sure your child is at school every day ready to learn. You can review your child's assignments, grades at any time by visiting [www.masd91.org](http://www.masd91.org).

Thank you,

Principal | Jennifer McCallum

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
